Baby hold on to me
Eddie Money

```
              A                      A#        D   A#
INT   ll: D                 l D+                    :ll

        l D                    l D+              l D                 l D+                 l
             Baby  hold   on    to   me               whatever will  be    will   be
        l D                    l D+             l D                  l D+                 l
             The  future  is  ours  to  see          so baby  hold   on     to    me

   l D                      l D+                      l D                   l D+             l
    Baby       what's these  things you've been sayin' a - bout me     behind  my   back        is it
   l D                     l D+                  l Bm                   l D/C            l
    True        you    might want a  better  life      is  it  true you think that these things are lies

        l Em                    l F#m             l G                     l A              l
             Think about it   baby                    I'm gonna take you to the top

        l D                    l D+            l D                   l D+                 l
              So baby  hold   on    to   me          whatever will   be    will    be
        l D                    l D+           l D                    l D+                 l
              The  future  is  ours  to  see         when you hold   on     to   me    B – a -

   l D                      l D+                     l D                    l D+            l
    a – by      you know the  future's lookin' brighter every mornin'  when      I  get  up
   l D                      l D+                    l Bm                  l D/C            l
     Don't be thinkin' bout   what's not enough now baby  just be thinkin bout what we got

        l Em                  l F#m             l G                       l A              l
             Think of all my love  now              I'm gonna give you all I got

        l D                    l D+            l D                   l D+                 l
              Baby  hold   on    to   me            whatever will   be    will    be
        l D                    l D+            l D                   l D+                 l
              The  future  is  ours  to  see        when you hold   on     to   me    oh oh

        l Em                 l F#m             l G                 l A                     l
             Rich     man          poor    man        really don't mean   all that much
        l Em                 l F#m             l G                 ll: A                 :ll
             Mama's    always     told   you  girl  that  money can't buy you love

        ll: D                    l D+           l D                    l D+                 l
              Baby  hold   on    to   me              whatever will   be    will   be
        l D                    l D+            l D                    l D+                 :ll
              The  future  is  ours  to  see         when you hold   on     to   me

        l D                    ll
             Hold  on
```
