

Behind blue eyes

The Who

VRS **I Em** **/G** **I D** **I**
 No one knows what it's like to be the bad man
I C/D **I A9** **I**
 To be the sad man behind blue eyes
I Em **/G** **I D** **I**
 No one knows what it's like to be hated
I C/D **I A9** **I**
 To be fated to telling only lies

I C **D** **I G** **C/G** **G** **I**
 But my dreams they aren't as empty
I C **D** **I E** **Esus** **E** **I**
 As my conscience seems to be
I Bm **I C** **I**
 I have hours only lonely
I D **I A9** **I**
 My love is vengeance that's never free

VRS **I Em** **/G** **I D** **I**
 No one knows what it's like to feel these feelings
I C/D **I A9** **I**
 Like I do and I blame you
I Em **/G** **I D** **I**
 No one bites back as hard on their anger
I C/D **I A9** **I**
 None of my pain and woe can show through

I C **D** **I G** **C/G** **G** **I**
 But my dreams they aren't as empty
I C **D** **I E** **Esus** **E** **I**
 As my conscience seems to be
I Bm **I C** **I**
 I have hours only lonely
I D **I A9** **I**
 My love is vengeance that's never free

BDG **II: E** **Bm** **I A** **:II**
I E **Bm** **I A** **I**
 When my fist clenches crack it open
I E **Bm** **I G** **D** **I**
 Before I use it and lose my cool
I Bm **A** **I D** **I**
 When I smile tell me some bad news
I Bm **A** **I E** **I**
 Before I laugh and act like a fool

I E **Bm** **I A** **I**
 And if I swallow anything evil
I E **Bm** **I G** **D** **I**
 Stick your finger down my throat
I Bm **A** **I D** **I**
 And if I shiver please give me a blanket
I Bm **A** **I E** **I**
 Keep me warm let me wear your coat
I E **Bm** **I A** **I**
