

Intro D C G A

CAREFREE HIGHWAY
Gordon Lightfoot

D A F# Bm A
 Pickin' up the pieces of my sweet shattered dream,
 G D Asus4 A
 I wonder how the old folks are tonight.
 D A F# Bm
 Her name was Ann and I'll be damned if I recall her face,
 G A D
 She left me here not knowin' what to do.

CHORUS:

C G A D
 Carefree Highway, let me slip away on you.
 C G A
 Carefree Highway, you seen better days.
 Bm A G Esus4 E D
 The mornin' after blues from my head down to my shoes.
 C G Asus4 A D C G A

D A F# Bm A
 Turnin' back the pages to the times I love the best,
 G D Asus4 A
 I wonder if she'll ever do the same.
 D A F# Bm
 Now the thing that I call livin' is just bein' satisfied,
 G A D
 With knowin' I got no one else to blame.

(Chorus)

D A F# Bm A
 Searchin' through the fragments of my dream shattered sleep,
 G D Asus4 A
 I wonder if the years have closed her mind.
 D A F# Bm
 Well, I guess it must be wander-lust or tryin' to get free,
 G A D
 From the good old faithful feelin' we once knew.

(Chorus)
