```
I D             I D/C          I D/B          I D/A#         I
                                                             dear

I D             I D/C          I D/B          I D/A#         I
 Prudence                                      won't you come out to
I D             I D/C          I D/B          I D/A#         I
 Play                                                    dear
I D             I D/C          I D/B          I D/A#         I
 Prudence                                      greet the brand new
I D             I D/C          I D/B          I D/A#         I
  Day                                                       the

I D             I D/C          I D/B          I D/A#         I
 Sun is up      the  sky is blue   it's  beautiful   and  so are you   dear
I D             I D/C      /A  /B  I C              I G              I
 Prudence                          won't   you   come   out    to
I D             I D/C          I D/B          I D/A#         I
 Play                                                    dear

I D             I D/C          I D/B          I D/A#         I
 Prudence                                       open up your
I D             I D/C          I D/B          I D/A#         I
 Eyes                                                    dear
I D             I D/C          I D/B          I D/A#         I
 Prudence                                       see the sunny
I D             I D/C          I D/B          I D/A#         I
 Skies                                                      the

I D             I D/C          I D/B          I D/A#         I
  Wind  is  low   the  birds will sing  that  you are part    of  everything   dear
I D             I D/C      /A  /B  I C              I G              I
 Prudence                          won't  you    open up     your
I D             I D/C          I D/B          I D/A#         I
  Eyes                                                 look  a -

I D             I G/D          I A/D          I G/D          I
 - round   round      round                          look  a -
I D             I G/D          I A/D          I G/D          I
- round   round      round                           look  a -
I F             I G#           I G            I D            I D      I
- round                                                      dear

I D             I D/C          I D/B          I D/A#         I
 Prudence                                      let me see you
I D             I D/C          I D/B          I D/A#         I
 Smile                                                    dear
I D             I D/C          I D/B          I D/A#         I
 Prudence                                       like a little
I D             I D/C          I D/B          I D/A#         I
 Child                                                      the

I D             I D/C          I D/B          I D/A#         I
 Clouds will be    a  daisy   chain   so  let me see    you   smile again   dear
I D             I D/C      /A  /B  I C              I G              I
 Prudence                          won't  you     let me   see  you
 I D            II
 Smile
