

**I'm The Only One**

**G**  
 Please baby can't you see  
 My mind's a burnin' hell  
 I got razors a rippin' and tearin'  
 and strippin'  
 My heart apart as well  
 Tonight you told me that you ache  
 for something new  
 And some other woman is lookin'  
 like something  
 That might be good for you

**A m**  
 Go on and hold her till the  
**D** screaming is gone **D**  
**A m** Go on believe her when she tells  
 you nothing's wrong  
**G** But I'm the only one **F**  
**F** Who'll walk across the fire for you  
**G** I'm the only one  
**F** Who'll drown in my desire for you **F**  
**A m** It's only fear that makes you run  
**Cadd9** The demons that you're hiding  
 from  
**F** When all your promises are gone **Cadd9**  
 I'm the only one **G**

**G**  
 Please baby can't you see  
 I'm trying to explain  
 I've been here before and I'm  
 locking the door  
 And I'm not going back again  
 Her eyes and arms and skin won't  
 make it go away  
 You'll wake up tomorrow and  
 wrestle the sorrow  
 That hold you down today

Go on and hold her till the  
 screaming is gone  
 Go on believe her when she tells  
 you nothing's wrong  
 But I'm the only one  
 Who'll walk across the fire for you  
 I'm the only one  
 Who'll drown in my desire for you  
 It's only fear that makes you run  
 The demons that you're hiding  
 from  
 When all your promises are gone  
 I'm the only one
