

## **Fleetwood Mac Landslide Lyrics**

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
'Till the landslide brought me down

Oh, mirror in the sky  
What is love?  
Can the child within my heart rise above?  
Can I sail thru the changing ocean tides?  
Can I handle the seasons of my life?

Mmm Mmm...

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Children get older  
I'm getting older too

(Guitar solo)

Well, I've been afraid of changing  
'Cause I, I built my life around you  
But time makes you bolder  
Children get older  
I'm getting older too  
I'm getting older too

So, take my love, take it down  
Oh climb a mountain and turn around  
If you see my reflection in the snow covered hills  
Well the landslide will bring you down, down

And If you see my reflection in the snow covered hills  
Well maybe the landslide will bring it down  
Oh oh, the landslide will bring it down
