

**I E**                    **I A**                    **I B**                    **I B**    **A**    **I**  
**I E**                    **I A**                    **I B**                    **I A**                    **I**  
**I B**                    **I B**                    **I B**                    **I B**                    **I**  
 So come on,            come on,            come on,            come on and

**I E**                    **I A**                    **I B**                    **I A**                    **I**  
 Didn't I                    make you feel                    like you                    were the  
 O - nly                    man?  
 An' didn't I give you every - thing                    that a woman  
 Po - ss - ib - ly                    can?                    Honey, you know I did!

**I C#m**    **/G**                    **I C#m**                    **I B**                    **I B**                    **I**  
 Each    time    I                    tell myself                    I think I've had enough,  
**I D**                    **I D**                    **I B**                    **I B**                    **I**  
 Well, I'm gonna show you, baby, that a woman can be tough.  
**I B**                    **I B**                    **I B**                    **I B**                    **I**  
 So come on,                    come on,                    come on,                    come on and

**CHORUS**

**I E**                    **I A**                    **I B**                    **I B**                    **A**    **I**  
 Take it.                    Take another little piece of my heart now, baby,  
**I E**                    **I A**                    **I B**                    **I A**                    **I**  
 Break it!                    Break another little bit of my heart I know you will, darling,  
**I E**                    **I A**                    **I B**                    **I B**                    **I**  
 Have a Have another little piece of my heart now, baby, yeah.  
**I A**                    **I A**                    **I A**                    **/F**    **I A**                    **I**  
                   You know you got it                    if it makes you feel good,                    so good

**I E**                    **I A**                    **I B**                    **I A**                    **I**  
 You're out on the street looking good,                    Baby, deep down in your  
 Heart u know that it ain't right,                    No, you  
 Never                    hear me cry - ing.                    You know I cry  
                   All the time!

**I C#m**    **/Ab**                    **I C#m**                    **I B**                    **I B**                    **I**  
 And each time I tell myself that I, well I can't stand the pain,  
**I D**                    **I D**                    **I B**                    **I B**                    **I**  
 But when you hold me in your arms, I'll sing it once again.  
**I B**                    **I B**                    **I B**                    **I B**                    **I**  
 So come on,                    come on,                    come on,                    come on and

**CHORUS**

**I E**                    **I A**                    **I B**                    **I B**                    **A**    **I**  
 Take it.                    Take another little piece of my heart now, baby,  
**I E**                    **I A**                    **I B**                    **I A**                    **I**  
 Break it!                    Break another little bit of my heart I know you will, darling,  
**I E**                    **I A**                    **I B**                    **I B**                    **I**  
 Have a Have another little piece of my heart now, baby, yeah.  
**I A**                    **I A**                    **I A**                    **I A**                    **I**  
                   You know you got it if it makes you feel good, so good

**SOLO**

**CHORUS**

**I E**                    **I A**                    **I B**                    **I B**                    **A**    **I**  
 Take it.                    Take another little piece of my heart now, baby,  
**I E**                    **I A**                    **I B**                    **I A**                    **I**  
 Break it!                    Break another little bit of my heart I know you will, darling,  
**I E**                    **I A**                    **I B**                    **I B**                    **I**  
 Have a Have another little piece of my heart now, baby, yeah.  
**I A**                    **I A**                    **I A**                    **I A**                    **I**  
                   You know you got it if it makes you feel good, so good
