### Intro: E x4

**A** (2)                **D**                **A**  
 I know there's nothing to say  
**A** (2)                **D**                **A**  
 Someone has taken my place  
          **A**                **E**                **A**                **E**  
 When times go bad, when times go rough  
          **A**                                **D**                                **E** (2)  
 Won't you lay me down in the tall grass and let me do my stuff

**A** (2)                **D**                **A**  
 I know I got nothin' on you  
**A** (2)                **D**                **A**  
 I know there's nothing to do  
          **A**                **E**                **A**                **E**  
 When times go bad and you can't get enough  
          **A**                                **D**                                **E** (2)  
 Won't you lay me down in the tall grass and let me do my stuff

### Chorus:

**A** (2)                        **D** (2) **A** (2)                **E** **A**  
 Bow bow bow...                                Doo doo doo doo doo  
**A** (2)                        **D** (2) **A** (2)                **E** **A**  
 Bow bow bow...

**A** (2)                **D**                **A**  
 One thing I think you should know  
**A** (2)                **D**                                **A**  
 I ain't gonna miss you when you go  
          **A**                **E**                                **A**                                **E**  
 Been down so long, I've been tossed around enough  
          **A**                                **D**                                **E** (2)  
 Oh, couldn't you just let me go down and do my stuff

**A** (2)                **D**                **A**  
 I know you're hopin' to find  
**A** (2)                                **D**                                **A**  
 Someone who's gonna give you peace of mind  
          **A**                **E**                **A**                **E**  
 When times go bad, when times go rough  
          **A**                                **D**                                **E** (2)  
 Won't you lay me down in the tall grass and let me do my stuff
