So I'll have to say I love you in a song
Jim Croce

```
| A               | C#m7          | Bm7          | E7              |
                                                              well I
| A               | C#m7          | Bm7          | E7              |
 Know   it's   kind   of   late                 I hope I didn't wake you  but what I
| A               | C#m7          | Bm7          | E7              |
 Got   to   say   can't  wait            I know you'd under - stand
| D               | G#7           | A        /G#     | F#m7           |
         Ev'ry  time I tried to tell  you   the words just came  out  wrong      so I'll
| A               | E7            | D            | A               |
 Have   to   say   I   love   you        in  a  song                     yeah I

| A               | C#m7          | Bm7          | E7              |
 Know   it's   kind   of   strange             but ev'ry time I'm near you      I just
| A               | C#m7          | Bm7          | E7              |
 Run  out  of things  to  say            I know you'd under - stand
| D               | G#7           | A        /G#     | F#m7           |
         Ev'ry  time I tried to tell  you   the words just came  out  wrong      so I'll
| A               | E7            | D            | A               |
 Have   to   say   I   love   you        in  a  song

||: A             | C#m7          | Bm7          | E7              :||

| D               | G#7           | A        /G#     | F#m7           |
     Ev'ry   time  the  time   was   right   all the words just came  out  wrong      so I'll
| A               | E7            | D            | A               |
 Have   to   say   I   love   you        in  a  song                     yeah I

| A               | C#m7          | Bm7          | E7              |
 Know   it's   kind   of   late                 I hope I didn't wake you  but there's
| A               | C#m7          | Bm7          | E7              |
 Something that I just got to say            I know  you'd under - stand
| D               | G#7           | A        /G#     | F#m7           |
         Ev'ry  time I tried to tell  you   the words just came  out  wrong      so I'll
| A               | E7            | D            | A               |
 Have   to   say   I   love   you        in  a  song

| D               | G#7           | A        /G#     | F#m7           |
         Ev'ry  time I tried to tell  you   the words just came  out  wrong      so I'll
| A               | E7            | D            | A              ||
 Have   to   say   I   love   you        in  a  song
```
