Verse 1

G D
I remember well the day we wed
C G
I can still see that picture in my head
C G Am D
I still believe the words we said forever will ring true
G D C G
Love is certain, love is kind, love is yours and love is mine
C G D G
but it isn't something that we find, it's something that we do...

Verse 2

G D
It's holding tight and letting go
C G
it's flying high and laying low

let your strongest feelings show and your weakness too

it's a little and alot to ask an endless and a welcome task
C G D G
love isn't something that we have, it's something that we do...

Chorus

C G
We helped to make each other all we can be
Am G
though we can find our strength and inspiration independently
C G
the way we work together is what sets our love apart
Bb Am D
so closely that we can't tell where I end and where you start

Verse 3

G D
It gives me heart remembering how
C G
we started with a simple vow
C G Am D
there's so much to look back on now, still it feels brand new
G D C G
we're on a road that has no end and each day we begin again
C G D G
loves not just something that we're in, it's something that we do...

Instrumental

Repeat Chorus

Verse 4

Love is wide, love is long,

love is why I love this song and I hope you love it too
