

Time For Me to Fly - REO

Untitled

Ive been around for you
Ive been up and down for you
But I just cant get any relief
Ive swallowed my pride for you
Ive lived and lied for you
But you still make me feel like a thief

You got me stealin your love away
cause you never give it
Peeling the years away
And we cant relive it
I make you laugh
And you make me cry
I believe its time for me to fly

You said wed work it out
You said that you had no doubt
That deep down we were really in love
Oh, but Im tired of holding on
To a feeling I know is gone
I do believe that Ive had enough

Ive had enough of the falseness
Of a worn out relation
Enough of the jealousy
And the intoleration
I make you laugh
And you make me cry
I believe its time for me to fly

{refrain} time for me to fly
Oh, Ive got to set myself free
Time for me to fly
And thats just how its got to be
I know it hurts to say goodbye
But its time for me to fly

Oh, dont you know its...
{refrain}

Its time for me to fly
{repeat to end}
