Elton John

I D	I G	I A	I G	I
I D	I Gmaj7	I A	I F#m	I
It's a little bit funny		this feeling	in - side	
I Bm	I /A	I /G#	I G	I
I'm not one of those who can		easily	hide	
I D	I A	I F#	I Bm	I
I don't have much money but		boy if I did		
I D	I Em7	I G	II: A	:II
I'd buy a big house where		we both could live		
I D	I Gmaj7	I A	I F#m	I
If I was a sculptor		but then again	no	or a
I Bm	I /A	I /G#	I G	I
Man who makes potions in a		travelling	show	
I D	I A	I F#	I Bm	I
I know it's not much but it's the best		I can	do	
I D	I Em7	I G	II: D	:II
My gift is my song and		this one's for you		
CH I A	I Bm	I Em	I G	I
And you can tell everybody		this is your song		
I A	I Bm	I Em	I G	I
It may be quite simple but		now that it's done		
I Bm	I /A	I /G#	I Em/G	I
I hope you don't mind		I hope you don't mind that I put down in words		how
I D	I Em7	I G	II: A	:II
Won - der - ful		life is while you're in the world		
I D	I Gmaj7	I A	I F#m	I
I sat on the roof		and kicked off the moss		but a
I Bm	I /A	I /G#	I G	I
Few of the verses well they've got me		quite cross		
I D	I A	I F#	I Bm	I
But the sun's been quite kind		while I wrote this song		
I D	I Em7	I G	II: A	:II
It's for people like you that		keep it turned on		
I D	I Gmaj7	I A	I F#m	I
So excuse me for - getting		but these things I do		you
I Bm	I /A	I /G#	I G	I
See I've for - gotten if they're green		or they're blue		
I D	I A	I F#	I Bm	I
Anyway the thing is what I really mean is				
I D	I Em7	I G	II: D	:II
Yours are the sweetest eyes		I've ever seen		
CH I A	I Bm	I Em	I G	I
And you can tell everybody		this is your song		
I A	I Bm	I Em	I G	I
It may be quite simple but		now that it's done		
I Bm	I /A	I /G#	I Em/G	I
I hope you don't mind		I hope you don't mind that I put down in words		how
I D	I Em7	I G	II: A	:II
Won - der - ful		life is while you're in the world		
I Bm	I /A	I /G#	I Em/G	I
